

## Club information supplement

### Annual Membership Subscriptions 23/24 season

**Please note** subscriptions for the new season commencing 1<sup>st</sup> July 2023 are subject to a slight increase to cover operational and facility costs during an unprecedented time.

The committee have not taken this decision lightly and aware of the impacts and financial implications to our members. In order to aid stability and planning, the club have agreed a freeze on these costs for a minimum period of 2 years/seasons. This increase also allows us to cover additional outgoings for training facilities provision at both Blaydon Youth Club and Blaydon Leisure Centre, and grants continued use of the artificial pitches throughout the summer, giving a consistent training venue(s) whilst ongoing negotiations with the council continue over future decisions on Shibdon fields still to be finalised.

Annual membership subscription for players is **£160.00 due on 1<sup>st</sup> July**, or alternative quarterly payments can be made as listed below. It is essential all members follow payment rules in a timely manner, with explicit references so can be identified and reconciled by the club treasurer. All payments to be made directly to the club account by **standing order only**. Bank details are:

**Blaydon Community FC, Sort code 77-20-12, Account no 26170760.**

Payment references MUST state players name, age group and team, i.e.: **Joe Bloggs U8 Jets**. If the player is training only, then please specify 'training only'.

There is also a £20 strip deposit payable for all registered players, which will be returned should a player leave the club and return ALL kit in good condition, or carried over at the end of each season.

No exceptions or late payments are permitted. Any missing or late payments will result in the member being suspended until such time relevant payment(s) are made, and for a period of 7 days thereafter. For further information, please refer to club constitution or contact a member of the committee/team manager.
